ALUMNI MEET-2019

Dear Alumni

Bharati Vidyapeeth's College of Engineering, ever since its establishment in 1999, has been earning accolades both nationally as well as internationally. Every year annual Alumni Meet is organized in the campus with active support of some of the ex-alumni, current faculty and staff. Accordingly this year also we have scheduled a grand homecoming for all our passed out students on **April 7, 2019 at 1200 hrs.** in the College Campus.

I, as Principal of this College, take this opportunity to cordially invite you along with fellow alumni of this College to attend the Alumni Meet and relive the memories of time spent by you in this College.

On return, you will surely find the transformations in the College up to your expectations. I may, however, request not only for your active co-operation but also your patience and understanding in appreciating the limitations of the College. I am sanguine, once we meet on 7th April 2019, we would be able to lay down a strong strategy for Alumni Meets in future.

I am putting in place a team who would be interacting with you hereafter. I request you to confirm your participation by **March 20, 2019.**
