Department of Electronics and Communication Engineering

Ref. No.: BVCOE/ND/ECE/ 1779 /2025-2026

Date: 29th April 2026

NOTICE

Subject: Review-3 for Internship (ES-456, ES-458) and Major Project (ES-452, ES-454) – 8th Semester (ECE) on 29-30 April 2026

In continuation of the earlier notices regarding the evaluation procedure and review schedule, all 8th Semester B.Tech (ECE) students are hereby informed that Review-3 (Final Review) will be conducted as per the University and Departmental guidelines. Schedule and venue will be communicated separately.

◆ **Important Instructions:**

1. Students must ensure that all previous review feedback has been incorporated and the work is complete in all respects.
2. All documents must be duly verified and signed by the respective mentor before submission.
3. Students must report in formal attire and adhere strictly to the allotted schedule.
4. Latecomers will not be permitted to present.
5. The AI-generated content in reports/research papers should be less than 10%.

◆ **Documents to be Submitted (Before Presentation):**

- Final Internship Report / Major Project Report (duly signed by mentor)
- PPT Presentation
- Log File / Weekly Records / Blue Cobra File (complete and updated)
- Research Paper (for Major Project students)
- Industry Mentor Feedback (for Internship students, wherever applicable)

All submissions must be completed and submitted to the mentor prior to the presentation date.

◆ **Evaluation Criteria – Review-3 (Maximum Marks: 40)**

For Internship Students (ES-458)	<ul style="list-style-type: none">• Internship Report• Effectiveness of Presentation• Industry Mentor Feedback• Viva Voce
For Major Project Students (ES-454)	<ul style="list-style-type: none">• Major Project Report• Effectiveness of Presentation• Quality of Research Paper• Viva Voce

Note: Review-3 is the final evaluation stage, focusing on overall performance, completeness of work, technical understanding, and quality of documentation. Students are advised to present their work with clarity, confidence, and strong technical justification.

Final Year Class Advisors:

Dr Apoorva Aggarwal, Dr Manoj Sharma (ECE1)
