Notice
IT-Ist Shift & IInd Shift

Date: 09/03/2022

This is to inform 8th sem students that the first review of their major project is scheduled for 16/03/2022 (IT-1) and 17/03/2022 (IT-2). Students are advised to follow the guidelines based on the course outcomes (COs) of Major Project and they need to submit the copy of their synopsis at the time of presentation. Project area and group members will remain same as they were in minor project. (No request for change in groups will be entertained).

Students are advised to go through the Course Outcomes and guideline for evaluation of major project.
Guidelines for major project evaluation:

Review #	Agenda	Review Assessment Weightage	Overall Weightage
Review 1	Project Synopsis/ Proposal Evaluation (CO1, CO2, CO3)	10% (10)	40% (40)
Review 2	Project Evaluation Report and PPT (CO4)	15% (15)	
Review 3	Final Project Evaluation (CO5, CO6)	15% (15)	
EXTERNAL EXAMINATION		60% (60)	
TOTAL		100% (100)	

Note: Students must report to their guides regularly

Schedule for major project:

1. Review 1 (Synopsis/proposal evaluation)   16/03/2022- 17/03/2022
2. Review 2   12/04/2022- 13/04/2022
3. Review 3 (Demo)   11/05/2022- 12/05/2022

Dr. Prakhar Priyadarshi
HOD(IT)

Major Project In-charge
(1st Shift)
Ms Shikha Rastogi
Mr. Achin Jain

Major Project In-charge
(2nd shift)
Ms. Surinder Kaur
Mr. Puneet Singh

Major Project COs

CO No.	Course Outcomes	Bloom's taxonomy	Bloom's Level
\multicolumn{4}{} Course Outcomes (COs): At the end of the course, the student will be able to			
CO-1	Select a research problem based on the analysis of the Major Project.	Understand	2
CO-2	Comprehensively discuss and examine the feasible solution(s) to the identified problem	Understand, Analyze	2, 4
CO-3	Implement the solution methodology(s), using modern engineering/programming tool(s).	Create, Apply	6, 3
CO-4	Compare the performance of the designed solution with the existing solutions.	Analyze, Evaluate	4, 5
CO-5	Prepare a project report and presentation, as per the GGSIP University guidelines.	Evaluate, Create	5, 6
CO-6	Write and communicate a research paper to a reputed international conference/journal.	Evaluate, Create	5, 6

Internal Evaluation (40 marks)

1. REVIEW 1 (10 marks)

CO addressed: CO1, CO2, and CO3

The report submitted for evaluation of REVIEW 1 should address the following points:

- Defining the Research problem
- Feasible solution to the problem
- Implementation of the solution

2. REVIEW 2 (15 marks)

CO addressed: CO4

The student will give a power point presentation and a submit a report based on the work done, before an expert committee constituted by the concerned department as per norms of the institute.

The evaluation will be based on the following criteria:

- Detailed results on implementation and performance comparison.
- Effectiveness of presentation.
- Depth of knowledge and skills.

3. REVIEW 3 (15 marks)

CO addressed: CO5 and CO6

The student will give a power point presentation, submit a project report based on prescribed GGSIPU format and prepare a Review paper based on the work done, before an expert committee constituted by the concerned department as per norms of the institute.

- Effectiveness of presentation
- Documentation of Report
- Quality of Review paper
- Viva voce
