NOTICE

Ref no: BVCOE/ND/ECE/157/25-26

Date: 10th April 26

Department of Electronics and Communication Engineering

This is to inform all 2nd Year ECE students that a Guest Lecture session on **Digital Communication** will be organized by ECE Department.

The session will provide valuable insights into modern digital communication systems, industry practices, and emerging technologies. This lecture will align towards **Quality education and Industry Innovation and Infrastructure** to accomplish the **Sustainable Development Goals (SDGs)** by enhancing technical knowledge and promoting lifelong learning, by exposing students to advancements in communication technologies and industry practices.

It will help students bridge the gap between academic concepts and industry applications

Guest Speaker: Mr. K. Nellai Kumar, DGM (Retired), Tata Communications

Date: 11th April 2026 (Saturday)

Lecture Topic: Evolution of Modulation and Multiplexing Techniques in Telecommunication

Time: 12:00 PM to 1:30 PM (Online Mode)

Meeting link: <https://teams.live.com/joinmeeting/9318754308470?p=06kaoaB01t40vMu1tJ>

All students note that attendance is mandatory, as it will be monitored throughout the session

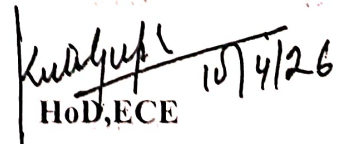

Subject Coordinators,

Dr. S B Kumar

Mr. Jatin Gaur
