Department of Computer Science and Engineering

The Department of Computer Science and Engineering is organizing a one-day Industrial Visit to **Network Bulls**, Gurugram for 3rd-year students.

Date for visit: 22nd September 2025 (CSE 1 and CSE 2).

The highlights of this visit are:

1. The industrial visit will be organized at **Network Bulls**, India's leading IT training and networking solutions company. The company is recognized as a premier institute for Cisco networking technologies and corporate training.
2. Students will gain practical exposure to **CCNA, CCNP, and CCIE level networking labs**, industry-grade routers, switches, and firewalls. They will also interact with professionals to understand **network infrastructure design, configuration, and management.**
3. The visit will enhance students' knowledge in **real-time networking, cybersecurity, cloud computing, and IT infrastructure management**, bridging the gap between classroom learning and industry practices.

Note for students:

1. Students must sign up for the visit using the provided link. https://forms.gle/wBVfiMuksrt7xyyq8
2. Please note that seats are limited, and selection will be made on a **first-come, first-served basis.** Once registered, students cannot cancel their registration, so kindly make your decision carefully.
