Guidelines for Mini Project

All the 3rd year CSE students are hereby informed that Mini Project Group Formation has been scheduled. Find all the important guidelines as below:

1. Students are required to make a project in a group of 3 members.
2. Students have to approach faculty members as per their research areas for their project guidance. PFA research areas for all faculty members on third page.
3. Students are required to submit their group formations (along with their project guides) to their class advisors latest by **22nd August 2024**
4. Submit the Project Synopsis in the prescribed format in PDF to the mentor by **6th September**. The format of the synopsis will be shared separately.

The synopsis must be clearly printed on A-4 size paper duly signed by all students and supervisor. Maximum size of the project synopsis can go up to 4-5 pages. Role of each group member should be clearly defined. Synopsis must have the following information:

- Cover page
- Abstract
- Objective
- Literature Survey
- Research Project Methodology
- References

5. Further, guidelines for students in choosing a project are as following:
 - i. **There has to be some novelty/innovation in the Objective of the Project.**

- ii. Project must have Design issues/steps involved. Implementation of an existing concept or model will not be accepted as a Project.
- iii. The results so obtained from the experiment need to justify how it is better than the existing method.
- iv. Before finalizing the project, economic and technical feasibility is to be carefully analysed.
- v. **It is mandatory to publish paper in International Conference (Scopus Indexed)/ Reputed Journal.**
