Minor Project Synopsis Submission

All the 4th year CSE students (CSE1 and CSE2) are hereby advised to submit Minor Project Synopsis **approved and signed by their mentors** to the respective Minor Project coordinators in the prescribed format (hard copy) by **22/08/2024**. The synopsis should be printed on A4 size paper and can have 10-15 pages. The content of synopsis must include:

- Title Page (Sample document attached)
- Introduction
- Problem Statement
- Literature Review
- Objectives (Innovative and Novel)
- Proposed Methodology
- References (in IEEF format only)

Note:

- Students should provide a clear description of the current developments in the study area of interest and analyse the literature using extensive survey.
- The project must include design problems or steps. Comparative analysis of an existing work will not be accepted as a project.
- Live projects in industries/ Interdisciplinary research projects are encouraged.
- The evaluation will be based on the current and upcoming trends, novelty, innovation, literature review, and real time problems.
- Marks for the research paper will be assigned as "Lab Innovation" and will be marked out of 10 in each lab. It is mandatory for all students to publish a research paper in international conference (SCOPUS Indexed) or reputed journal.

Minor Project Coordinators:
