

Bharati Vidyapeeth's College of Engineering, New Delhi

INTELLECTUAL PROPERTY RIGHTS CELL POLICY

Bharati Vidyapeeth College of Engineering, New Delhi is an academic Institute dedicated to excellence in teaching and research. Intellectual property right cell was founded in 2013 with a view to encouraging students from all disciplines. The main objective of the cell is to facilitate knowledge development by encouraging innovations and creativity in new fields of higher professional education. The aim of IPR cell is to develop analytical and creative skills among the students. This is accomplished through brainstorming sessions, discussions amongst multidisciplinary students, expert talks, etc. Its activities, centred on faculty/students/project staff/ supporting staff/inventors are based on knowledge and intellectual exercise.

OBJECTIVES:

1. To educate faculty members and students about benefits of IPR.
2. To assess the invention disclosures received from inventors and recommend proposals for IP filing.
3. To facilitate the inventors in developing their inventions/ideas into a practical implementation fit for seeking IP protection.
4. Create and finalize procedures, and forms for the implementation of the IPR policy as well as for seeking IP Protection with the relevant authorities.
5. Organizing informative lectures on IPR for educating faculty/students/supporting staff/project staff/inventors.
6. Facilitate IP owners in the monetization of their IPRs as well as in seeking funding opportunities.
7. Any other activity which the Committee deems fit so as to promote IPR creation and promotion.

IPR STRUCTURE

The IPR Committee will be the core administrating body, which will be responsible for evolving detailed procedures to facilitate the implementation of the IPR policy. The IPR Committee consists of the following members:

Dr Deepika Kumar	Incharge, IPR Cell
Mrs. Shilpa Gupta	Member
Mrs. Sarita Yadav	Member
Dr. Sandeep Sharma	Member
Mrs. Monica Bhutani	Member
Dr. Saket Gupta	Member

The IPR Cell shall coordinate all the IPR-related activities.

APPLICABILITY OF THE IPR POLICY

The present IPR Policy and any subsequent amendments thereto shall be applicable to all faculty/students//project staff/ supporting staff /inventors.

FINANCIAL COMMITMENT:

1. Payment to the experts who may contribute to supporting the cell with legal and scientific support the cell timely.
2. To organize workshops/conferences/invited talks/sensitization programmes.
3. Pay an honorarium to external members (if any) for IP assessment.
4. BVCOE, New Delhi provides the initial Official Filing fee to promote innovation, motivate and empower the students in protecting innovations of our students.

IPR POLICY

The objective of IPR policy is to foster institute industry links, entrepreneurial culture, and the development and sustainability of creativity and innovation for society's benefit.

The intellectual Property Rights Cell (IPR) at Bharati Vidyapeeth's College of Engineering, New Delhi provides guidance, support and resources to facilitate the protection and guidance of intellectual property to all staff members/students of BVCOE. To achieve this goal IPR Cell initiates and organizes awareness programs

about the importance and role of IP Rights, and implements IP policy which ensures transparency of IP policy. IP policy is reviewed timely and improvises upon any shortcomings, and strengthens the infrastructure and resources for the protection and exploitation of IP.

Patentability, ownership, disclosure, technology transfer, and conflict of interest among others play a critical role in managing IP. IPR Cell organizes various sessions to enhance awareness of IP-related issues. The IPR Cell, BVCOE encompasses the following intellectual property within its scope:

- 1) Patents
- 2) Copyrights deployment
- 3) Trade/Service marks
- 4) Industrial designs
- 5) IC layout designs
- 6) New plant variety and Biotechnology inventions
- 7) Traditional knowledge and Geographical Indications

AMENDMENT OF IPR POLICY

IQAC of the college is authorize to make changes to the IPR policy or bring out a new policy as and when it is felt necessary or upon recommendations of the IPR Committee.
