### Department of Electronics and Communication Engineering

Ref No. BVCOE/ND/EC/ISS/2023-24

Date: 15/03/2024

### NOTICE

This is to inform 2<sup>nd</sup> Year EC2 students that the Department of Electronics and Communication Engineering is organizing a Guest Lecture on “Cyber-Physical Systems and IoT” on Tuesday 19/03/24 at 1:00 pm, Room no. B-202. Attendance is compulsory for all the students.

The eminent speaker for the session is Dr. Mansi Jhamb, Assistant Professor in USICT, GGSIPU Dwarka Campus. Her area of specialization is VLSI, Embedded System, and Digital Design. This session will be the great learning opportunity to gain knowledge and enhance your understanding of cyber systems and IoT and its applications across various domains.

We encourage all the students to attend this session and actively participate in the discussions. If you have any queries or require further information, please feel free to contact the class advisors.
