### NOTICE

## INTER DEPARTMENT MAJOR PROJECT COMPETITION-2024

### **TECHNOVATION 3.0**

B.Tech final year projects play a vital role in shaping the overall career of a student. Project development is the medium through which students put their theoretical and practical knowledge to enhance their skills. With this objective, IPR Cell is organizing “Inter Department Major Project Competition- 2024” for all final year students.

Best Projects will be appreciated and awarded at the Institute level. The competition will be held on **07-05-2024 (Tuesday) in Library at 10:30 am.**

The shortlisted projects must fulfil the needs of the industry requirements and be innovative. The products so formed can be patented.

The projects will be evaluated on the basis of the following parameters:

1. Originality and Innovation
2. Impact and Practicality
3. Sustainability
4. Technical Complexity
5. Quality of Deliverables
6. Ethical Considerations
