Journal of Multi Disciplinary Engineering Technologies is a peer reviewed bi-annual International research journal being published since 2005 by Bharati Vidyapeeth's College of Engineering, New Delhi. The journal intends to disseminate original scientific research and knowledge in the field of all interdisciplinary streams of Engineering, Sciences and

technologies. This journal focuses on cutting edge multi disciplinary research and publishes novel research papers, articles, case studies, review papers, research project synopsis, recently completed Ph.D./M.Tech, thesis reports and reviews of books in the fields of engineering, science and technology. The journal serves as a window for students, Scientists, professionals and researchers to participate and share their research expertise/activities.

Authors are invited to submit their research paper in the coming issue. All the submitted manuscripts are subjected to a peer review process. There is no charge for publication of manuscript. Bharati Vidyapeeth's College of Engineering, New Delhi is committed to improve the overall research impact through this journal.
