Dear Anushka Mishra (2224828),

Congratulations! You have been conditionally accepted to the Electrical Engineering master's degree program at Eindhoven University of Technology. We are looking forward to welcoming you in Eindhoven, the Netherlands. You will find a formal statement of conditional acceptance at the end of this email message.

Let us help you kick-start your studies

From May onward, we will contact you through email to confirm your enrollment at TU/e and we will also explain what type of assistance is available at TU/e.

Our International Office offers you support to help you get to the TU/e in time for the Master Kick-off in August. Like the saying goes: well begun is half done. Don't hesitate to use these services! Studying abroad is a big step, so take all the help you need.

Make sure you have a valid passport

Please keep in mind that if you require a visa and residence permit for the Netherlands, you will need a passport that is valid until at least December 31st, 2024.

Also keep in mind that during your entire stay in the Netherlands, you must have a valid passport at all times.

ALSP/HS Scholarship

If your application for the 2024-2025 academic year was received before 1 February 2024, you will be automatically included in the selection procedure for the ALSP/HS scholarships. The results of this selection procedure will be communicated to you by May 2024 at the latest.

Finalize enrollment

Until we have verified your certified documents* and we have officially enrolled you, your status in Studielink will be shown as **"The educational institution has yet to determine whether your previous education level is sufficient"** and your status in Osiris during the summer period will be shown as **"not complied with the registration requirement."** Please don't worry about that.

Please be aware that we will send all sorts of information to (new) students in the months leading up to the start of the academic year (e.g. about registration for courses, Master Kick-off, payment details, etc.). Keep in mind however that enrollment is only definite after all enrollment criteria are met and you have received a confirmation of enrollment.

Housing

It seems a long time away, but it's good to start thinking now about your housing in Eindhoven. Arranging housing is your own responsibility. Just like in most other cities in the Netherlands, there is a large shortage of affordable student housing in Eindhoven, so do not underestimate how difficult it is to find suitable housing. We highly recommend starting your search in April if you will be starting your studies in September. To help you get started, you will find a number of tips on our website.

Any questions?

Do you have any questions about your admission or any other practical affairs? Please contact us at io@tue.nl or +31 40 247 6000. Make sure to always include your personal student number (2224828) in emails, so we can easily find your information.

If you have questions about the degree program you've chosen, contact your degree program directly.

Dear Sarthak:

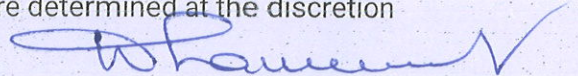

We are pleased to extend you an offer to join ZS Associates India Private Ltd. ('ZS') as a Decision Analytics Associate, to be based in our New Delhi office with a start date of September 23, 2024. We hope that you give this opportunity with ZS serious consideration.

ZS has a special culture of collaboration and innovation and intensity. We produce work of outstanding quality and are proud of the client-first approach we bring to every engagement. ZSers bring passion to make an impact, commitment to continuous learning, self-improvement and expertise to achieve that result.

Salary: Your annual gross salary will be INR ₹850,000.00/Annually, inclusive of basic and fixed allowances; all associates are paid on the last working day of every month. ZS reviews salaries each June, which is effective 1st July, provided you were employed at ZS by March 31 in that year; the raise is pro-rated if your employment tenure is fewer than 12 months. For salary details, please refer to Appendix 1.

Performance Bonus: ZS associates receive performance bonuses at the end of each year, based on your performance and the firm's results. This bonus may be up to 10% of your eligible wages earned during the calendar year. Bonuses are determined at the discretion of ZS and are subject to standard withholding taxes.

Emerging Leader Reward Program (ELRP): The expertise you gain over your tenure is valuable to ZS and we recognize your continued commitment and progression towards becoming a future leader in the firm. ZS rewards this expertise through a tenure-based incentive of total INR 9 lacs, which begins after 12 months' tenure and is paid at every one

If you do not start employment with ZS or do not then complete one full year (12 months) of continuous full-time employment with ZS immediately after that point for any reason (except for involuntary termination of your employment by ZS), then you agree to repay to ZS any buyout amount in its entirety.
