codingninjas

Memorandum of Understanding

1. Coding Ninjas will provide a course titled "Data Structures in C++" to 30 students of BVCOE from 1 July to 30th September.

2. Course Details

The course "Data Structures in C++" includes the following offerings:
- Introduction to C++
- Data Structures in C++
- Pre-recorded Lectures
- Classroom Environment with TA support
- Certification upon successful completion

3. Fees and Payment Terms
- The total fee for the course is Rs. 3,500 (Including GST) per student.
- The College agrees to pay the total fee of Rs. 1,05,000 (Rs. 3,500 x 30 students) for In House Technical Training, Inclusive of GST @18%.
- Payment should be made to CodingNinjas within 15 days post completion of training and release of physical certificates.
- Before making the payment, statutory TDS will be deducted. Form 16 A regarding the TDS will be furnished by the College later.

4. Responsibilities of Coding Ninjas

CodingNinjas agrees to:
- Provide access to the pre-recorded lectures for all enrolled students.
- Create and maintain a classroom environment conducive to learning.
- Issue certification to students upon successful completion of the course.

5. Responsibilities of BVCOE

BVCOE agrees to:
- Ensure the enrollment of 30 students in the course.
- Make the payment of Rs. 1,05,000 to CodingNinjas by the due date.
- Provide necessary support and resources to students for accessing the course materials.

6. Duration

This MoU shall remain in effect until the completion of the course and certification of all enrolled students.
