

Memorandum of Understanding

1. Coding Ninjas will provide a course titled "Data Structures in C++" to 43 students of BVCOE from 23rd June to 26th July, 2025. Course content will remain accessible to students until 30th September, 2025.

2. **Course Details**

The course "Data Structures in C++ - BVCOE | 23 June" includes the following offerings:

- Introduction to C++
- Data Structures in C++
- Pre-recorded Lectures
- Certification upon successful completion

3. **Fees and Payment Terms**

- The total fee for the course is Rs 3,500 (Including GST) per student.
- The College agrees to pay the total fee of Rs. 1,50,500 (Rs. 3,500 x 43 students) for In House Technical Training, Inclusive of GST @18%.
- Payment should be made to Coding Ninjas within 15 days after the completion of training and the release of physical certificates shared by BVCOE.
- Before making the payment, statutory TDS will be deducted. Form 16 A regarding the TDS will be furnished by the college later.

4. **Responsibilities of Coding Ninjas**

Coding Ninjas agrees to:

- Provide access to the pre-recorded lectures for all enrolled students.
- Create and maintain a classroom environment conducive to learning.
- Provide access to 3 faculties shared by BVCOE for free.
- Issue certification to students upon successful completion of the course.

5. **Responsibilities of BVCOE**

BVCOE agrees to:

- Ensure the enrollment of 43 students in the course.
- Make the payment to Coding Ninjas by the due date.
- Provide necessary support and resources to students for accessing the course materials.

6. **Duration**

This MoU shall remain in effect until the completion of the course and certification of all enrolled students.
