Library Glance

The Library Resource Centre (LRC) of Bharati Vidyapeeth's College of Engineering (BVCOE), New Delhi serves as the knowledge hub of the institution, supporting teaching, learning, and research through a blend of traditional and digital resources. The LRC houses a rich collection of **58,616** volumes, including textbooks, reference books, national and international journals, and magazines.

To strengthen its electronic resources, the library subscribes to leading databases and e-book platforms such as IEEE Xplore, Pearson eBooks, McGraw Hill eBooks, Oxford eBooks, PHI eBooks, Taylor & Francis eBooks, and DELNET, ensuring access to high-quality scholarly materials.

The library is fully automated with KOHA Integrated Library Management Software, providing efficient circulation and cataloguing services. Users can access the Web OPAC within the campus through LAN and WAN connectivity, enabling easy location and retrieval of resources.

The LRC has also implemented several digital innovations, including:

- **BVP Connect:** An online platform integrating I-Card, e-resources, and academic materials.
- **BVP Library App:** An Android application offering mobile access to OPAC, e-books, and databases.
- **E-Gate Entry Register:** A digital attendance system tracking user visits and real-time seat availability.

Through these initiatives, the BVCOE Library continues to promote information literacy, digital readiness, and lifelong learning among its academic community.
