

PUBLICATIONS OF THE INSTITUTE

- **Journal of Multi-Disciplinary Engineering Technologies (ISSN-0974-1771):** It is a peer reviewed biannual international journal published by Bharati Vidyapeeth's College of Engineering, New Delhi, since 2005. It promotes innovative interdisciplinary research in engineering, science, and technology. The journal welcomes original research and review articles from researchers and professionals. All submissions undergo peer review, with no publication charges. The journal serves as a window for students, Scientists, professionals and researchers to participate and share their research expertise/activities.
- **EUREKA Magazine (Published every Year):** EUREKA: The Spark of Innovation. The official magazine of BVCOE, reflects creativity, technical brilliance and vibrant campus life of our students and faculty.
- **CHAKSHU – Newsletter (Bi-annually):** CHAKSHU - A Biannual Newsletter of BVCOE New were published recently during February, 2026 (Vol 14 Issue 1). It briefly covers Students & Faculty Achievements including their publications Events organized by College and other activities conducted throughout the year.
- **BVCOE NSS Parivartan (Annual):** The first edition of NSS Annual Magazine Parivartan, Vol. 5 (2026) was published recently in 2026. The NSS Group is headed by Dr. Anil Kumar, Asst. Professor (Applied Science – Department), Editor of Parivartan Magazine. The magazine includes various social & cultural activities conducted by NSS Group from time to time, volunteered by large support of Staff & Students.
- **Inspiring Roots Magazine** – This magazine publishes the journey of entrepreneurs. Every entrepreneurial journey begins with a simple idea and the courage to take the first step. Inspiring Roots brings forward the journeys of student entrepreneurs who dared to think differently, transform their ideas into solutions, and turn challenges into opportunities. Their stories reflect curiosity, resilience, innovation and the willingness to learn from failure. These young change makers remind us that entrepreneurship is not only about building a business—it is about creating value, solving real-world problems and having the courage to believe in an idea before others do. Through Inspiring Roots, we celebrate these journeys and inspire every student to discover the entrepreneur within.
- **BVEST Magazine-** BVEST is the Annual technical fest of Bharati Vidyapeeth's College of Engineering, New Delhi. BVEST'25 was the eleventh edition of BVEST with the theme “**Viksit Bharat @2047**”. The techfest stood as a testament to the power of innovation in this technological decade. BVEST.XI was organized by the Department of Electrical & Electronics Engineering and Department of Instrumentation and Control Engineering. The techfest was supported by over 25 student-led societies of BVP like, MLSAC, IEEE, BVPCSI, ISTE, ISA, GFG etc. The event witnessed significant attention, drawing **4000+ participants** and **12 lakh+** online impressions. The Technical fest featured a diverse array of technical competitions and workshops, alongside mind-refreshing experiences like the Robo Wars, Ideathons, and a high energy DJ Night. The magazine briefly covers the details of all the technical events organized during 2 day fest.
- **Pratibimb Magazine (Annual)** – Pratibimb is the annual magazine of IEEE BVCOE, reflecting the journey, achievements, and spirit of the student branch over the past academic year. It captures a variety of technical and non-technical events, workshops, and initiatives, while celebrating member milestones and showcasing technical articles and creative writings by students. The design captures the growth, collaboration, innovation, and unwavering dedication of the IEEE BVCOE community, standing as a testament to our relentless pursuit of knowledge and the spirit that drives us forward.

- **ODYSSEY Magazine (Bi-annual)**- Odyssey is the bi-annual magazine of ECE Department BVCOE, reflecting the dedication and achievements of the students from the department. Odyssey, serves as a vibrant platform for students to showcase their creativity, intellect, and achievements. It embodies the essence of innovation, knowledge and pursuit of excellence. The magazine offers an engaging compilation of technical writings, creative compositions, artistic works, and campus highlights, showcasing the multifaceted talents and perspectives of its contributors. Odyssey not only celebrates academic excellence but also encourages students to express themselves beyond the classroom, embodying the true essence of holistic education.
- **INNOVAULT RESEARCH COMPENDIUM** – The inaugural edition of the BVCOE Research Compendium, “INNOVAULT”, an anthology that celebrates the intellectual rigour and innovative spirit of our esteemed faculty and talented students. This compendium is more than just a collection of granted patents and research papers. It is a testament to the relentless pursuit of knowledge and excellence that defines our institution. The contributions encapsulated within these pages reflect the dedication, creativity, and scholarly prowess of our academic community. Each patent signifies a step forward in innovation, and each published paper highlights our commitment to advancing the frontiers of knowledge. The journey to this milestone has been one of unwavering commitment, collaboration, and hard work. Our faculty members have continuously strived to mentor and inspire, while our students have embraced the challenges of research with enthusiasm and determination. This compendium serves as a beacon of our research achievements and sets a benchmark for future endeavours.
- **SAARANSH:** is the annual magazine of the Department of Computer Science & Engineering, Bharati Vidyapeeth's College of Engineering, Delhi, for the academic year 2025–2026. It highlights the department's vision, faculty contributions, student achievements, technical innovations, research activities, creative expressions, and alumni accomplishments. The magazine documents academic and co-curricular engagement, promoting innovation, creativity, knowledge sharing, and holistic student development, while serving as supporting evidence for academic audit outcomes.

Journal of Multi Disciplinary Engineering Technologies is a peer reviewed bi-annual International research journal being published since 2005 by Bharati Vidyapeeth's College of Engineering, New Delhi. The journal intends to disseminate original scientific research and knowledge in the field of all interdisciplinary streams of Engineering, Sciences and technologies. This journal focuses on cutting edge multi disciplinary research and publishes novel research papers, articles, case studies, review papers, research project synopsis, recently completed Ph.D./M.Tech, thesis reports and reviews of books in the fields of engineering, science and technology. The journal serves as a window for students, Scientists, professionals and researchers to participate and share their research expertise/activities.

Authors are invited to submit their research paper in the coming issue. All the submitted manuscripts are subjected to a peer review process. There is no charge for publication of manuscript. Bharati Vidyapeeth's College of Engineering, New Delhi is committed to improve the overall research impact through this journal.

Inspiring Roots

STORIES OF ENTREPRENEURSHIP &
RURAL INNOVATION
CLASSROOM TO STARTUP MOVEMENT

COVER STORY

FROM CAMPUS TO IMPACT

Vishwendra Kashyap's journey from CSE student to founder of Viprab, driving agri-tech and clean energy innovations.

AGRI-TECH INNOVATOR

Building platforms for ERP, CRM & website solutions to help businesses grow affordably.

RURAL ENTREPRENEUR

Developing agricultural ventures like contract farming and producing corn for consistent supply.

GREEN ENERGY VISION

Producing compressed biogas from biodegradable waste for a sustainable future.

YOUNG INSPIRATION

A message for aspiring students:
