Annexure- 31

Academic Audit Compliance for Academic Year 2024-2025

S No.	Deficiencies Identified	Compliance
1	NAAC accreditation is not available	The new NAAC guidelines are awaited and once the guidelines are released, the IQAC team will prepare the college's AQARs accordingly and proceed further. The matter has already been discussed in the IQAC of the college.
2	Placement efforts needs to be further strengthen	The college has taken initiatives regarding the same such as skill development and technical enrichment initiatives, pre-placement preparation, initiatives, Internship Mela 2025, Memoranda of Understanding (MoUs)
3	Faculty mentors to be assigned to small groups of students	The college allots two faculty members per 60 students in a class. Additionally, all the Faculty members have been assigned a small groups of final year students for their overall mentoring and placement support.

QUALITY ASSURANCE RESOURCE CENTRE

Research and documentation being important facets of the accreditation process, NAAC has built a well stocked library and an active publication unit. NAAC publications are designed to create awareness amongst the faculty on the importance of accreditation. Manuals for different higher education institutions are available in print and electronic format. NAAC also conducts various research studies, impact analysis and feedback surveys which provide valuable policy inputs.

New Initiatives and Efforts by the Training and Placement (T&P) Cell

The Training and Placement Cell of Bharati Vidyapeeth's College of Engineering (BVCOE), New Delhi, has undertaken several initiatives to enhance student employability, strengthen industry–academia collaboration, develop technical and professional competencies, and prepare students for the evolving job market.

1. Skill Development and Technical Enrichment Initiatives

- **Enriching Soft Skills Development Sessions:** Focused on improving students' communication, interpersonal skills, professional etiquette, teamwork, and interview readiness.
- **Data Structures and Algorithms (DSA) Session:** Organized to strengthen students' problem-solving abilities, coding proficiency, and preparation for technical interviews.
- **Seminar on "System Exposed: Future of Cybersecurity":** Conducted to familiarize students with emerging cybersecurity challenges, industry trends, and future career opportunities in cybersecurity.
- **Workshop on AI Agents and Excel with AI:** Introduced students to emerging AI-driven tools and intelligent automation techniques relevant to modern workplaces.
- **CODERS CUP 2026 – DSA Competition:** Organized to promote competitive programming, logical reasoning, coding efficiency, and problem-solving skills among students.

2. Pre-Placement Preparation Initiatives

- **Pre-Placement Preparation Week:** Dedicated activities to strengthen students' technical knowledge, aptitude, communication skills, and interview performance ahead of recruitment drives.
- **Pre-Placement Bootcamp 4.0:** Organized from 23–28 March 2026, bringing students and industry professionals together through technical sessions, expert interactions, and placement-oriented training activities. The sessions were designed in alignment with current industry demands and targeted diverse career roles, including Consulting, Software Development Engineer (SDE), Graduate Engineer Trainee (GET), and Core Engineering positions, thereby enhancing students' technical competencies, professional skills, and overall placement readiness.
- **Company-Specific Preparation and Interview Readiness seminar:** Students are prepared well before the specific company placement. Basically to Know the Company

and Crack the Placement. Alumini working in the company are invited to take the session to share strategies to crack the Recruitment Process

3. Internship and Industry Engagement

- **Internship Mela 2025:** Organized to connect students with companies and startups, facilitate internship opportunities, and strengthen industry–academia engagement. The initiative provided a platform for students to interact directly with prospective employers.

4. Faculty Development and Industry-Academia Collaboration

- **TCS APEX Faculty Development Programme:** Facilitated faculty development and exposure to industry practices, emerging technologies, and contemporary technical requirements, supporting the alignment of academic delivery with industry expectations.

5. Memoranda of Understanding (MoUs) with Academic Institutions

The T&P Cell has strengthened institutional collaboration through MoUs with the following organizations:

- **National Institute of Electronics & Information Technology (NIELIT):** To support technical training and skill development in emerging technology domains.
- **INTI University, Malaysia:** To promote academic collaboration and explore opportunities for international engagement.

6. Industry Partnerships and Summer In-House Training Programme 2026

The T&P Cell organized a **Summer In-House Training Programme from 30 June to 31 July 2026**, offering students opportunities to acquire practical skills in contemporary and industry-relevant technologies. The programme was supported through collaborations with training partners and companies.

The key training programmes included:

1. **Data Structures and Algorithms (DSA)** – Coding Ninjas
2. **Data Science and Data Analytics** – Level Pro
3. **MERN Stack and Flutter Development** – Brain Mentors
4. **Advanced Embedded Systems and Internet of Things (IoT)** – Uptech Automation
5. **Generative AI Training** – Vamnick Technologies

These collaborations aim to bridge the gap between academic learning and industry expectations by providing students with hands-on technical exposure, practical learning experiences, and opportunities to develop job-ready competencies.

7. Overall Impact

Through these initiatives, the T&P Cell continues to focus on:

- Enhancing technical, analytical, communication, and professional skills.
- Improving student preparedness for campus recruitment and internship opportunities.
- Promoting hands-on learning in emerging and high-demand technology domains.
- Strengthening industry–academia partnerships through MoUs and collaborative training programmes.
- Encouraging coding culture, innovation, and continuous professional development.
- Aligning student competencies with evolving industry requirements and the changing employment landscape.

Proof of Initiatives

1. Empowering Students Soft skills and Communication Skills

The Training & Placement Cell of Bharati Vidyapeeth's College of Engineering, in collaboration with the BVPInc Student Chapter, organized an enriching Soft Skills Development Session aimed at strengthening students' communication abilities, confidence, and professional readiness from Sep 2025-Nov 2025.

The session was graced by Ms. Mansi Gupta, a Certified Career Analyst, TEDx Speaker, and President of Delhi Toastmasters Club, who brought a wealth of experience and an inspiring perspective to the interaction. Through an engaging and highly interactive session, she guided students on the importance of effective communication, confident self-expression, interview readiness, and developing a growth-oriented mindset.

The session went beyond conventional classroom learning, encouraging students to step out of their comfort zones and recognize the importance of soft skills in shaping successful professional careers. Students gained practical insights into presenting themselves effectively, communicating with impact, handling interviews with confidence, and building a positive professional personality.

TRAINING & PLACEMENT CELL

NOTICE

The Training & Placement cell is conducting **Soft Skill Classes** in association with BVP INC for **second-year and third-year students** nominated by their respective departments. The schedule is as follows:

Branch / Year	Date	Time
ECE-2 (2nd Yr), AIML-2 (2nd Yr)	22 September 2025	02:30 PM – 04:30 PM
CSE-3 (2nd Yr), IT-1 (3rd Yr), ECE-2 (3rd Yr)	11 October 2025	09:30 AM – 11:30 AM
CSE-1 (2nd Yr), CSE-2 (2nd Yr)	27 October 2025	09:00 AM – 11:00 AM
EEE (2nd Yr), ICE (2nd Yr), ECE-1 (3rd Yr)	28 October 2025	02:30 PM – 04:30 PM
ICE (3rd Yr), CSE-1 (3rd Yr), CSE-4 (2nd Yr)	29 October 2025	12:00 PM – 02:00 PM
ECE-3 (2nd Yr), EEE (3rd Yr)	29 October 2025	02:30 PM – 04:30 PM
AIML-1 (2nd Yr), IT-2 (2nd Yr)	06 November 2025	12:00 PM – 02:00 PM
IT-2 (2nd Yr), ECE-3 (3rd Yr)	06 November 2025	02:30 PM – 04:30 PM
CSE-2 (3rd Yr)	07 November 2025	11:00 AM – 01:00 PM
IT-1 (2nd Yr), ECE-1 (2nd Yr)	07 November 2025	01:15 PM – 03:15 PM

Venue: Room F-502 (F-Block, 5th Floor)
Speaker: Ms. Mansi Gupta – Certified Career Analyst, TEDx Speaker, President-Delhi Toastmasters Club.

2. Internship Mela 2025 – Bridging Talent with Industry

The Training & Placement Department of Bharati Vidyapeeth's College of Engineering, New Delhi, successfully organized Internship Mela 2025 on November 1st and 2nd, 2025. The two-day event provided students with opportunities to connect with leading organizations across diverse domains. Key areas included Artificial Intelligence & Machine Learning, Data Science, Software Development, Core Engineering, Management, and emerging technologies. The event witnessed enthusiastic participation from students and industry representatives, facilitating career exploration and professional networking. It also promoted industry interaction, experiential learning, and enhanced awareness of workplace expectations. The occasion was graced by Mr. Partha Adhikari, Director, NIELIT; Ms. Dolly Bhasin, Founder, SmartEdge; and Mr. Aditya Jain, Senior Manager, EY and an alumnus of the institution. Their valuable insights and words of encouragement inspired students and added immense value to the event. Internship Mela 2025 strengthened industry–academia collaboration and empowered students to gain practical exposure, build confidence, and advance towards successful careers. 35 companies provided more than 100 student internships.

3. The Training & Placement Department provided opportunity to attend the FDP organized by TCS, APEX Faculty Development Program on Artificial Intelligence (AI) from 18th Aug 2025 to 17th Sep 2025. Such initiatives strengthen the industry–academia connect and enhance our faculty's expertise in emerging technologies like AI, ultimately benefiting our students.

TCS Invites Nominations: Launch of APEX Virtual FDP on AI Summarize this email

AS Ashish Shah <ashish.shah@tcs.com> on behalf of APEX FDP <APEX.FDP@tcs.com>

TCS Confidential

Dear Valued Academic Partner,

Greetings from TCS Academic Alliances Group (AAG) !

After the overwhelming response with our inaugural, in-person FDP in Mumbai on AI, we are excited to launch TCS APEX Virtual Faculty Development Program themed around, designed to help educators understand the key concepts of AI, Gen AI, prompt engineering, agentic AI, ethical consideration and responsible AI usage in academia and busines

Tentative Schedule :
Date - 18th Aug'25(Monday) to 17th Sep'25(Wednesday)
Time - 1.30 pm to 3.30 pm (2 hrs. daily)

Nomination Guidelines :
- Please nominate two faculty preferably with AI background.
- Commitment from nominated faculty to attend all the virtual sessions, assignments & projects if any.

We kindly request you to share the nominations by **12th Aug 2025, Tuesday**. Please share the faculty details in below format –

Sr No	Institute Name	State	Name	Designation	Department	Email ID	Mobile No
1							
2							

TCS AAG team will reach out with further details including the agenda.

We truly appreciate your continued support and engagement

Thanks & Regards,
Academic Alliances Group

4. T&P cell organizes a session on DSA on 26th Feb 2026

Speaker: **Bhoomi Kohli**, Software Engineer at Microsoft and Gold Medalist from IGDTUW

The session provided students with valuable clarity on placement preparation, the importance of strong DSA fundamentals, and navigating the evolving technology landscape shaped by AI and innovation. Bhoomi shared practical insights from her journey — from internships to full-time experience — offering actionable guidance, confidence, and direction to aspiring engineers.

Her discussion on consistency, structured preparation, and adapting to the current job market resonated strongly with the audience and reinforced the importance of building deep problem-solving skills

Training & Placement Department

Notice

The Training and Placement Department is organizing a session on Data Structures and Algorithms (DSA) to guide students in placement preparation and strengthen their technical problem-solving skills.

The Advanced Data Structures session will enhance students' knowledge and problem-solving skills by strengthening their understanding of fundamental data structures and introducing advanced concepts. The session will help students develop efficient algorithmic thinking, improve their coding skills, and build a strong foundation for competitive programming and future technical interviews.

The session will highlight the importance of strong DSA fundamentals, consistency and structured preparation for technical interviews. **Ms. Bhoomi Kohli** (Software Engineer at Microsoft and Gold Medalist from IGDTUW) will share practical insights from her journey through internships to a full-time software engineering role, along with guidance on adapting to the evolving technology landscape shaped by AI and innovation.

Details of the Event are given below:

- Day: Thursday, 26th February 2026
- Timing: 10:00 AM – 12:00 PM
- Venue: F 301

Note: Attendance will be marked for all students who attend the event.

5. Seminar on " System exposed: future of Cyber Security"

The Training & Placement Cell of BVCOE, in association with the GFG Chapter and powered by EthicBizz, successfully organized an insightful and highly engaging cybersecurity session titled **"SYSTEM EXPOSED"** on **24th March 2026**

An experience powered by leaders, experts, and builders shaping the future of cybersecurity. Featuring insights from:

- Prof. NK Goyal (President, CSAI)
- Tapan Kumar Jha (Hacker Vlog)
- Harsh Srivastava (Sr. Manager at Unstop)
- EthicBizz Founders

The session was designed as a live experiential learning event, offering:

- Live hacking demonstrations showcasing real-world attack scenarios in a safe and controlledenvironment
- Expert insights on cybercrime and digital investigations Discussions on emerging AI threats and evolving digital vulnerabilities

Students gained first-hand exposure to how easily data can be compromised and learned practical ways to safeguard their digital presence

Training & Placement Department

Notice

This is to inform all the students that a special training session on **Agentic AI** is being organized by the Training & Placement Cell.

Session Details:
Session: Agentic AI, Time: 11:00 AM – 01:30 PM, Venue: Seminar Room, F Block

About the Session: Agentic AI refers to autonomous systems capable of reasoning, planning, and executing tasks with minimal human intervention. This session demonstrates how AI agents collaborate, make decisions, and automate workflows to efficiently solve complex real-world problems.

Resource Person: Mr. Jayan Gupta
LinkedIn Profile: https://www.linkedin.com/in/jayan-gupta/

Faculty Coordinators (IT): All faculty coordinators from IT departments are requested to ensure smooth conduct of the session, student attendance, coordination with the resource person, and proper discipline during the session.

All third-year students are encouraged to attend the session to enhance their knowledge of advanced AI technologies.

7. DSA competition" CODERS CUP- 2026"

The **Bharati Vidyapeeth's College of Engineering Training and Placement Department** organized Coder's Cup 2026 on **17th March- 18th March 2026**—a flagship initiative that brought together some of the brightest minds in data structures & competitive programming.

With 500+ registrations, the event witnessed an incredible journey of talent and determination—progressing from the Top 50 to the Top 16, and finally celebrating the Top 3. Each stage reflected not just competition, but growth, resilience, and the true spirit of problem-solving. The competition was thoughtfully designed to simulate real-world coding pressure:

Online Quiz Round – Testing core DSA fundamentals

Offline Coding Contest – A rigorous on-campus programming challenge

Knockout Tournament – High-intensity head-to-head battles

Training & Placement Department

Notice

The Training and Placement Department is organizing "CODERS CUP – 2026", a Data Structures and Algorithms (DSA) competition to encourage competitive programming, logical thinking, and technical problem-solving among students.

The competition allows students to demonstrate their coding abilities under real-world programming pressure. Participants will progress through multiple challenging rounds that test their conceptual understanding, coding efficiency, speed, and accuracy.

The competition will consist of an Online Quiz Round to assess core DSA fundamentals, an Offline Coding Contest featuring rigorous on-campus programming challenges, and a Knockout Tournament with high-intensity head-to-head coding battles. The event is expected to bring together enthusiastic programmers and foster a spirit of learning, perseverance, and healthy competition.

Details of the Event are given below:

- Dates: 17th and 18th March 2026
- Timings: 10:30 AM Onwards
- Venue: Library F block

Note: Attendance will be marked for all students who attend the event.

BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING

Training & Placement Cell

PRE-PLACEMENT PREPARATION WEEK

16 March – 20 March 2026

For 3RD YEAR Students (Batch 2027)

WHY ATTEND?

Prepare yourself before the **Placement Bootcamp** and gain complete insights into the campus placement process and company expectations.

- ✓ Understand **previously visited and upcoming companies**
- ✓ Learn **placement preparation strategies**
- ✓ Strengthen **technical and aptitude fundamentals**
- ✓ Improve **problem-solving and interview skills**
- ✓ Get ready to test your preparation in the **Placement Bootcamp assessments**

TOPICS COVERED

- ✓ **Guesstimates**
- ✓ **Case Studies**
- ✓ **Core Subjects Preparation**
- ✓ **Web / Technical Development**
- ✓ **Data Structures & Algorithms (DSA) / SQL & Aptitude**
- ✓ **Interview Preparation / GD & Communication Skills**

SCHEDULE

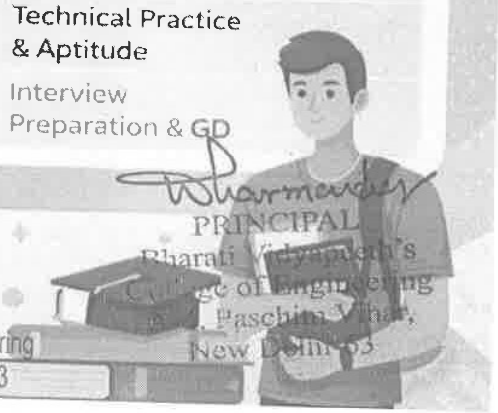

Seminar Hall & **A-401**

Day	Focus
Day 1 16 March	Guesstimates & Case Studies
Day 2 17 March	Guesstimates & Case Studies
Day 3 16 March	Core Subjects / Web / Communication / DSA / SQL
Day 4 13 March	Technical Practice & Aptitude
Day 5 20 March	Interview Preparation & GD

CONDUCTED AT **SEMINAR HALL & A-401**

Take this opportunity to evaluate your preparation before the Placement Bootcamp.

All 3rd Year Students are strongly encouraged to participate

Training & Placement Department

Notice

(Pre-Placement Boot Camp 4.0)

The **Training and Placement Department, BVCOE**, in collaboration with **EduMinerva**, is organizing **Placement Boot Camp 4.0**, a **6-day intensive boot camp** exclusively for **B.Tech 3rd Year students** to clear all placement-related apprehensions.

Tentative Schedule: 23rd March – 28th March 2026

Topics to be Covered:

- Resume Building
- Soft Skills
- Personality Development & Interview Etiquette
- Mock Assessments (Technical & Non-Technical)
- Mock Interviews (Technical & Non-Technical)
- Role Based RoadMap sessions: Data Analyst / Software Development Engineer (SDE) / Consultancy / AI Developer / Full stack Developer
- Expert talk on latest technologies by industry professionals and Alumni:
  - Cybersecurity
  - DSA
  - Data Science
  - Data Analytics
  - VLSI by industry professionals and
- HR Insights

So, all the students of B. Tech (3rd Year) are advised to attend the Pre-Placement activity program

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MOU") is made effective as of **02 March 2026**.

BETWEEN

INTI INTERNATIONAL UNIVERSITY operated by INTI INTERNATIONAL EDUCATION SDN BHD [Company No. 199401043150 (328838-A)] company incorporated under the laws of Malaysia, with its business address at Persiaran Perdana BBN, Putra Nilai, 71800 Nilai, Negeri Sembilan (hereinafter referred to as "**INTI**");

AND

Bharati Vidyapeeth's College of Engineering, New Delhi, A-4, Paschim Vihar, New Delhi 110063 (hereinafter referred to as "**BVCOE**");

INTI and the **BVCOE** are collectively referred to as the "Parties", and each, a "Party."

Both parties are desirous of establishing mutual cooperation and have agreed as follows:

1. **Areas of cooperation**

The cooperation within the framework of this MOU is subject to availability of funds and adhering to applicable laws, rules and regulations of the respective Parties, the Parties shall cover the following activities and programs which inter alia include:

a) Student mobility and visiting scholar programs;
b) Academic programs collaborations;
c) Joint publication and research activities;
d) Exchange of academic materials and other information;
e) International Centre;
f) Scholarly activities such as courses, seminars, trainings, conferences, and symposiums organized by either of the Parties;
g) Other activities and programs as may be mutually agreed upon by the Parties.

2. **Term of Partnership**

a) The term for partnership between the Parties shall be five (5) years from the date of this MOU, during which time the Parties may, through friendly discussion, choose the appropriate partnership model and enter into definitive agreements.

b) If either party wants to terminate this MOU, a written notice shall be given to the other party six (6) months before the termination of the MOU. If notice of termination has been given under this clause, the parties will agree in writing a mechanism ensuring that the ongoing activities, course or programmes are completed.

c) If either Party intends to extend the term, such Party shall send a written notice to the other Party expressing its intent for extension at the end of the fourth (4th) anniversary of the date of this MOU and such renewal shall be prepared in writing and signed by both parties hereto.

3. **Exclusiveness**

Both parties understand that this MOU is not exclusive and each party is permitted to enter into such agreements as it deems fit with other universities and institutions.

4. **Protection of Intellectual Property Rights**

a) The protection of intellectual property rights shall be enforced in conformity with the applicable laws.

b) The use of the name, logo and/or official emblem of INTI or the Industry Partner, as the case may be, on any publication, document and/or paper is prohibited without the prior written approval of the respective Party, which may be subject to conditions.

c) The intellectual property rights in respect of any products and services development, developed:

i. jointly by the Parties, or through the joint activity effort of both the Parties, shall be deemed jointly owned unless otherwise agreed by the Parties in writing;

ii. solely and separately by INTI or the Education Institution, or through the sole and separate effort of INTI or the Education Institution, as the case may be, shall be solely owned by the Party concerned; and

iii. rights in intellectual property developed by students in the course of exchanges, collaborative or research activities shall be dealt with in accordance with applicable rules and regulations of the Parties.

d) The Parties shall acknowledge one another in any form of writing, publication or presentation based on, or derived from, the collaboration between the Parties.

5. **Confidentiality**

The existence, the terms and conditions of this MOU, all drafts of agreements and other information exchanged and all negotiations between the Parties in connection therewith shall be confidential information and shall not be disclosed to any third party by either Party other than to its shareholders, directors, officers or advisors who have a need to know, and in each case only where such persons or entities are under appropriate nondisclosure obligations, unless the disclosure is required by law or regulatory authority or any stock exchange on which the shares of any party are listed. If any Party determines that it is required by law or regulatory authority or stock exchange to disclose information regarding this MOU or to file this MOU with any regulatory body, it shall, within a reasonable time before making any such disclosure or filing, consult with the other Party regarding such disclosure or filing and seek confidential treatment for such portions of the disclosure or filing as may be requested by the other Party.

6. **Notices**

Any communication under this MOU will be in writing in the English language and delivered by registered mail to the address or sent to the electronic mail address of the Parties as the case may be, shown below or to such other address or electronic mail address or facsimile number as either Party may have notified the sender and shall, unless otherwise provided herein, be deemed to be duly given or made when delivered to the recipient at such address or electronic mail address or facsimile number which is duly acknowledged.

7. Negotiation Costs

Each Party will respectively bear its own costs and expenses arising from its consideration of, and any negotiations relating to, this MOU and the cooperation programs contemplated by this MOU.

Each of the parties shall be responsible for the payment of the taxes, duties and/or any other contribution that, according to the applicable legislation, that may correspond to it.

8. Governing Law

For any dispute or claim arising out of or in connection with it or its subject matter or formation, both parties agree to refrain from unilateral action and to first consult and negotiate mutually acceptable decisions/resolutions. In the event that a resolution cannot be reached, the parties agree that any claim or dispute shall be governed by the laws of the courts where the breach occurred.

9. Indemnity

Both parties undertake to hold each other harmless for any judicial, administrative and / or extrajudicial claim that third parties may make due to the ownership of the knowledge, methodologies, software, tools and all other material that are delivered by both parties for the execution of this MOU.

10. Variations

The terms stipulated in this MOU shall not be amended, altered, changed or otherwise modified without the mutual consent of the Parties and such amendments, alterations, changes and modifications shall be made in writing and signed by the Parties hereto.

11. Anti-Corruption

Each party shall comply with all applicable bribery and anti-corruption legislation in force in their domestic jurisdictions and each agree to take reasonable steps to assist the other party to comply with the others legislative requirements that may apply to an international or cross-border agreements. Where any international legislation applies to this MOU concerning anti bribery, fraud or anti- corruption, each party will assist the other in ensuring compliance with said international legislation.

12. Data Protection

The Parties agree that any personal data shared under this MOU complies with any data protection laws in force in each party's domestic jurisdictions. Where there is any divergence between the data

Memorandum of Understanding

1. **Vamnick Technologies** will conduct a training program titled "Applied Generative AI Developer Bootcamp" for 22 students of BVP College from 29th June 2026 to 31st July 2026. Course content and TA support will remain accessible until 31st July 2026. Access will also be provided to 3 faculty members of BVP College.

2. **Course Details**

   The course "Applied Generative AI Developer Bootcamp" includes the following offerings:
   - Foundations of Generative AI & Large Language Models
   - Prompt Engineering & Retrieval-Augmented Generation (RAG)
   - Building & Deploying Generative AI Applications
   - Classroom lectures
   - TA support till 31st July 2026
   - Certification upon successful completion

3. **Fees and Payment Terms**
   - The program fee is Rs. 3,800 (including GST) per student.
   - For 22 students, the total fee will be Rs. 83,600 (Rs. 3,800 x 22 students) for the training program, inclusive of GST @18%.
   - Access for 3 faculty members will be provided at no additional cost.
   - Payment should be made to Vamnick Technologies within 15 days after the completion of training and the release of physical certificates shared by BVP College.
   - Before making the payment against Tax Invoice, statutory TDS will be deducted. Form 16A regarding the TDS will be furnished by the college later.

4. **Responsibilities of Vamnick Technologies**

   Vamnick Technologies agrees to:
   - Provide access to the course for all enrolled students.
   - Provide TA support until 31st July 2026.
   - Issue certification to students upon successful completion of the course.

5. **Responsibilities of BVP College**

   BVP College agrees to:
   - Ensure the enrollment of 22 students in the course.
   - Make the payment to Vamnick Technologies by the due date.
   - Provide necessary support and resources to students for accessing the course materials.

6. **Duration**

   This MoU shall remain in effect until the completion of the course, TA support, and certification of all enrolled students.

FREE ONLINE TRAINING PROGRAM

DevSecOps

Joint Certification by NIELIT & Kyndryl

NIELIT in collaboration with Kyndryl invites application for a **Free** Online Instructor-Led Training Program on **DevSecOps**

Industry-Aligned & Hands-On Learning for Cloud Careers!

Course Details

- ✓ Course: **DevSecOps**
- ✓ Mode: **Online (Instructor-Led)**
- ✓ Duration: **120 Hours**

Eligibility:

A) B.E./ B. Tech Or Pursuing B.E./ B. Tech. (3rd year onwards) or higher Or Graduation in any stream/ Pursuing graduation in any stream (3rd year onwards) or higher

B) Candidate must have Programming Skills and working knowledge of Cloud

Key Features

- ✓ Tools & Pipelines
- ✓ Virtual Lab-Based Training
- ✓ Certification by NIELIT
- ✓ Corporate Exposure at Kyndryl Office

Candidate must belong to marginalised community

(Economic weaker section of society, Tier2 or Tier 3 city participants, Women of any category, Minority Sections, and jobseekers belonging to middle class families)

Course Fee: Nil

DevSecOps Flyer.pdf; Instruction for Enrollment in DevSecOps Course.pdf;

Dear Madam,

Greetings from the National Institute of Electronics and Information Technology (NIELIT).

NIELIT is an autonomous organization under the Ministry of Electronics & Information Technology (MeitY), Government of India, and serves as the national capacity-building arm of the Ministry. The Institute is actively engaged in digital literacy, ICT education, and skill development initiatives across the country, in alignment with the objectives of the National Education Policy (NEP) 2020.

In this context, NIELIT Delhi is offers to provide Free of cost online Instructor-Led & Virtual Lab-based Training Programme in **DevSecOps** for the students of your esteemed organization.
This programme is in joint collaboration with Kyndryl , a US based IT Company.
This is a great opportunity for students to undergo Industry-Aligned & Hands-On Learning for Cloud Careers.The course duration is of 120 Hours. All B.Tech (3rd yr/4th yr) students, M.Tech students are eligible to avail this opportunity. The students shall be awarded joint certification by NIELIT & Kyndryl on completion of training.

Since NIELIT is aware that in line with NEP-2020 and UGC guidelines, Higher Education Institutions are encouraged to introduce short-term, credit-based, and industry-aligned Micro-Credential Programmes, hence, NIELIT proposes that Bharati Vidyapeeth may introduce the 'DevSecOps' course as one such Micro-Credential Programme, with an indicative duration of 120 hours, under this collaborative framework, with due approvals.
The details of the course are placed as attachments

For any further queries on this may contact undersigned or Ms. Alpana Agrawal, Scientist E/ Academic Head, NIELIT Delhi Janakpuri at alpanaagrawal@nielit.gov.in
regards,

Sheetal Chopra

Memorandum of Understanding

This Memorandum of Understanding is entered into between **BVP College** and **Sunrise Mentors Private Limited (Coding Ninjas)** for conducting a summer training program for students of BVP College.

1. Training Program

Coding Ninjas will conduct a summer training program titled **"Basic | C++ Foundation with Data Structures and Introduction to GenAI"** for **38 students of BVP College**, from **28 June 2026 to 31 August 2026**.

The course content and Teaching Assistant support will remain accessible until **31 August 2026**.

Course access will also be provided to **three faculty members of BVP College** at no additional cost.

2. Course Details

Batch: CP-36073

The course will include the following:

- C++ Foundation
- Data Structures in C++
- Introduction to Generative AI
- Pre-recorded lectures
- Teaching Assistant support until 31 August 2026 .
- Certification upon successful completion

3. Fees and Payment Terms

- The program fee is **₹4,000 per student**, inclusive of GST.
- For 38 students, the total program fee will be **₹1,52,000**, calculated as ₹4,000 × 38 students and inclusive of GST at 18%.
- Access for three faculty members will be provided at no additional cost.
- Payment shall be made to Coding Ninjas within **15 days after completion of the training program and release of the physical certificates shared by BVP College**.
- Applicable statutory TDS shall be deducted before payment.
- BVP College shall provide Form 16A relating to the deducted TDS at a later date.

Memorandum of Understanding

This Memorandum of Understanding (MoU) is executed on 1st June 2026 via offline between Bharati Vidyapeeth's College of Engineering, New Delhi, **Training and Placement Department**, (A-4, Paschim Vihar, New Delhi 110063) located at Delhi. (Hereinafter referred to as **"BVCOE, Delhi"**) and Amit Srivastava.

Bharati Vidyapeeth's College of Engineering, New Delhi since its establishment in 1999, has strived to provide the best engineering education to its students through well qualified and dedicated faculty and provision of well-equipped modern labs. The college affiliated to Guru Gobind Singh Indraprastha University, New Delhi, and approved by All India Council for Technical Education (AICTE), Ministry of HRD, Govt. of India, BVCOE is steadily striding forward in its quest of establishing itself among the top engineering colleges in North India. AND

Amit Srivastava started with a mission to link the IT industry and educational institutions. His aim is to transform our every student into an IT professional who is ready to be employed in the industry.

Amit Srivastava having more than 15+ years of industry experience with a strong base in developing software products. Being IT alumnus, he have a sound understanding of industry needs which helps in identifying the required skill set and nurturing our students in a competent IT professional.

He is also well connected with the industry and do corporate trainings in emerging technologies.

Whereas, sharing a common desire to explore, extend and strengthen their functional relationship, BVCOE, Delhi and Amit Srivastava do hereby agree to explore the feasibility of collaborating in Niche Technologies, skill enhancement and talent management. Accordingly, the broad features of this Memorandum of Understanding are as follows: -

1. Amit Srivastava will conduct In House Training Program for 2nd year students from 29th June 2026 to 31st July 2026.
2. Hardware, Infrastructure & Operational requirements available in the College have been examined by Amit Srivastava and shall be provided to them.
3. Any dispute arising during the course of the execution of the contract shall be settled through with mutual discussions.
4. Amit Srivastava shall depute a team of at least 2 trainers on at least 60 students (1 for theory classes 1 for Labs in batches)
5. Amit Srivastava shall provide the desired study material to each student.

UPTECH AUTOMATION LLP
Memorandum of Understanding

This Memorandum of Understanding (MoU) is executed on 25 Jun 2026 via online and offline between

BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING, New Delhi, Electrical Engineering Department, (A-4, Paschim Vihar, New Delhi 110063) located at Delhi. (Hereinafter referred to as "BVCOE, Delhi") for a tenure of 3 years.

Bharati Vidyapeeth's College of Engineering, New Delhi, since its establishment in 1999, has strived to provide the best engineering education to its students through well qualified and dedicated faculty and provision of well-equipped modern labs. The college affiliated to Guru Gobind Singh Indraprastha University, New Delhi, and approved by All India Council for Technical Education (AICTE), Ministry of HRD, Govt. of India, BVCOE is steadily striding forward in its quest of establishing itself among the top engineering colleges in North India. AND

Uptech Automation LLP with its Reg. office at **204/1 PASCHIM VIHAR/ PASCHIM PURI DELHI 110063**, and **WORKING BRANCH: A43 2ND FLOOR A BLOCK SECTOR 2 NOIDA UP 201301.**

Uptech Automation LLP is one of the pioneer GST Registered and MSME certified organization, Affiliated & Funded Company. Empowering learners worldwide through innovative education. We believe in transforming lives through accessible, high-quality learning experiences that shape the future

We are having decades of rich experience in providing turnkey solutions for applications like Industrial services and solutions for Industrial Automation, Electrical, Electronics, Embedded & Robotics, CAD-CAM technology, IIOT (Industrial Internet of Things), Robotics, Data Analytics (SQL, Power BI), Data Science, AIML.....and many more

Our Vision

To become the world's leading platform for accessible, high-quality education that transforms lives and communities through innovative learning experiences. We strive to empower micro, small, and medium enterprises by connecting them with skilled technocrats and enabling collaborative growth through technology.

NOTICE

Training and Placement Mentor-Mentee Program for final year students

The College is undertaking concerted efforts across **all departments to strengthen the Training and Placement initiatives for Final-Year students** and to ensure that every student receives focused guidance and adequate support for a successful transition from academics to professional careers.

As part of this initiative, **Final-Year students have been allotted to faculty mentors** across all departments. The enhanced Mentor–Mentee mechanism will work in close coordination with the Training and Placement activities of the College and respective departments, enabling continuous monitoring of students' preparedness, progress, and career aspirations.

The initiative will focus on the following key areas:

- **Placement Readiness**
- **Technical and Employability Skills**
- **Career Guidance**
- **Higher Studies**
- **Entrepreneurship**
- **Continuous Progress Monitoring**
- **Stress Management and Well-being**
- **Individual Attention and Intervention**

The collective efforts of the **Training and Placement Cell, Departments, Faculty Mentors, and students** are expected to create a structured and student-centric placement ecosystem. The Mentor–Mentee System will serve as an important link between individual student needs and institutional training and placement initiatives.

All Heads of Departments and concerned faculty members are requested to ensure effective implementation and regular monitoring of these initiatives. The department wise list is enclosed.
